

BLOOD DONATION CAMP REPORT

Dt: 22-07-2024

A blood donation camp was organized on 20-07-2024, at St. Joseph dental college. The event witnessed enthusiastic participation from volunteers, students, and staff. The initiative also focused on raising awareness about the critical need for regular blood donations. Participants went through a medical screening process to ensure they were eligible to donate. Around 30 volunteers donated blood to the RED CROSS BLOOD BANK. Refreshments were provided to all donors after the donation process to help them recover and regain energy.
