SUMMARY

The quality of an institution is reflected not only in its academic standards but also in its commitment to student welfare and progression. Student support and progression criterion evaluates how effectively an institution provides assistance and opportunities that promote student development, academic success, well-being, and post-graduation progression including various activities such as freeships and fee waivers ,enhancing capability schemes such as ortho drill,leadership mangement skill e.t.c.,career guidance offered by the institution for progression towards higher education through sjdc neet shiksha academy aids in progression towards higher education in state, national, international levels and also an active international student council and anti ragging committie to provide safe and protective environment to the students in college premises.a variety of extra-curricular activities, including sports, arts, and cultural events, should be organized to foster students' personal growth, leadership skills, and team-building and alumni contributions towards institution through estemeed mythri alumni association.

The main objective of this criterion is to ensure that students receive the necessary support to excel during their academic journey and are equipped with the tools to progress in their careers and higher education.

St. JOSEPH DENTAL COLLEGE

(A Post Graduate Dental Institute)
Duggirala, ELURU – 534 003, Eluru Dt., A.P., IN

5.1 STUDENT SUPPORT

- Average percentage of students benefited by scholarships /freeships / fee-waivers by Government / Non-Governmental agencies / Institution during the last five years
