Dear Ma'am,

On behalf of Ramachandra College of Engineering, we sincerely extend our heartfelt gratitude for delivering an insightful and impactful guest lecture on Cancer Awareness to our Cyber Security students, in collaboration with NSS, on the eve of World Cancer Day i.e., February 4th, 2025.

Your expertise and dedication in raising awareness about cancer prevention, early detection, and treatment have greatly benefited our students. Your session was not only informative but also deeply inspiring, emphasizing the importance of health consciousness in today's world. The real-life examples and interactive discussions made the lecture highly engaging and thought-provoking.

We truly appreciate your time and effort in educating and empowering our students on such a crucial health issue. We look forward to future collaborations to continue spreading awareness and knowledge.

Once again, thank you for your contribution.

With warm regards,
Dr. Shameena Begum

Dear Sir /Madam,

Sub: Permission for creating awareness – No Tobacco Day – World Environment Day – Reg.

In view of World Tobacco Day on May 31st and World Environment Day on June 5th, we are hereby requesting your permission to conduct an anti-tobacco awareness programme at the Eluru Bus Stand.

The proposed programme aims to educate people about the health risks associated with tobacco consumption, raise awareness about smoking cessation resources and support services. Through engaging activities such as informative sessions, interactive displays, and distribution of educational materials.

Furthermore, we are committed to ensuring that our activities are conducted in a manner that is respectful of the Bus Stand premises. We can collectively make a significant impact in promoting healthier lifestyles and fostering a cleaner, tobacco-free environment for all.

We kindly request your approval and support for our proposed anti-tobacco awareness programme at the Eluru Bus Stand.

Thanking you.
