Title: ETHICS IN CLINICAL PRACTICE

The Ethics in clinical practice lecture took place in the Lecture Gallery at St. Joseph Dental College on 24 JANUARY, 2024 for teaching faculty. This was conducted by Dr. N. SLEEVA RAJU (PRINCIPAL) to inform the roles and responsibilities of the Clinicians towards patients. The main agenda for conducting is expecting the Clinicians to honour patient's rights to make informed decisions about their own care; to always act in best interest of the patient, to avoid causing harm and to maintain clinician- patient confidentiality.
