ROLES & RESPONSIBILITIES OF THE GOVERNING COUNCIL

The Governing Council (GC) is the apex decision-making body responsible for overseeing the overall functioning, strategic direction, and policy formulation of the institution/organization. Its core functions are designed to ensure accountability, transparency, and alignment with institutional goals.

1. Strategic Planning and Policy Formulation

- Define the long-term vision, mission, and strategic goals of the institution.
- Formulate and approve key policies related to academic, financial, and administrative operations.
- Ensure alignment with national and international standards and regulatory bodies.

2. Academic Oversight

- Approve new academic programs, courses, and departments.
- Review and evaluate the academic performance and quality assurance mechanisms.
- Support initiatives for academic collaborations, research, and innovation.

3. Financial Governance

- Approve the annual budget, financial statements, and audit reports.
- Ensure financial prudence, transparency, and sustainability in operations.
- Monitor and evaluate resource allocation and utilization.

4. Administrative and Institutional Development

- Supervise major infrastructural and administrative developments.
- Oversee recruitment, appointment, and promotion of senior faculty and administrative staff.
- Support institutional accreditation and ranking efforts.

5. Regulatory Compliance

- Ensure compliance with statutory and regulatory requirements.
- Approve reports and submissions to the government and affiliated bodies.
- Establish internal control systems for governance and compliance.

6. Stakeholder Engagement

- Facilitate interaction with stakeholders, including students, faculty, alumni, and industry partners.
- Encourage participatory governance and decision-making.
- Promote transparency and inclusiveness in governance processes.

7. Monitoring and Evaluation

- Periodically assess institutional performance against key performance indicators.
- Ensure continuous improvement through data-driven decision-making.
- Monitor progress of major institutional projects and initiatives.

8. Conflict Resolution and Ethics

- Serve as the final authority for dispute resolution within the institution.
- Uphold ethical standards, integrity, and accountability at all levels.
- Establish mechanisms for grievance redressal and fair conduct.

9. Fundraising and External Relations

- Support fundraising initiatives, partnerships, and sponsorships.
- Enhance the institution's brand and reputation locally and globally.
- Promote collaboration with industry, academia, and international institutions.
