SCOPE OF MOU

1. Training for Faculty through various Faculty Development Programs: A Party may train the other Party's faculty through workshops, seminars, conferences, and training sessions, curriculum development, assessment methods, technology integration, research methodologies, etc. The objective is to enhance the teaching effectiveness, research capabilities, and professional growth of educators.
2. Research Projects in respective institutions: Both the Parties can collaborate and help each other on research projects conducted within their respective premises, subject to prior approval from the Institutional Ethical Committee. It would help identify and invite faculty members and students from the other institution to participate in research or development programmes. The terms and conditions for such participation will be worked out by mutual agreement between the Parties.
3. Conducting mutually beneficial workshops, seminars, and educational events: Both Parties can collaborate and organize workshops, seminars, and educational events that cater to the academic needs and interests of students and faculty members of both the Parties. Parties shall collaborate and invite faculty and students to participate in any existing workshops, seminars, and educational events. The terms and conditions of such participation shall be worked out by mutual agreement between the Parties.
4. Conduct any other initiatives that promote and enhance academic interest between St. Joseph Dental College, Eluru and the Ch S D St Theresa's College Institution.
