

ST. JOSEPH DENTAL COLLEGE
DEPARTMENT OF PUBLIC HEALTH DENTISTRY
Report on Oral Hygiene Day

Date:03-08-2024

Oral Hygiene Day was organized on August 1st to raise awareness about the importance of oral health among students and the community. Under the guidance of Dr. M. Pavana Sandhya, HOD, Department of Public Health Dentistry and Dr.T.Prasanth Sr. Lecturer, Dr.M. Anuhya Sr. Lecture Department of Public Health Dentistry, Dr.Harish, Reader, Department of Periodontics, the event aimed to educate proper oral hygiene practices to First year dental students of St. Joseph dental college.

Activities Conducted: Dr.Pavana Sandhya, Dr. Harish delivered an informative lecture on the significance of oral hygiene, covering topics such as brushing techniques, flossing, and the impact of diet on oral health. Dr. T.Prasanth & Dr. M.Anuhya emphasized the role of regular dental checkups and preventive care. 1st year students participated and they practiced proper brushing and flossing techniques using models.
